

JESUS SPEAKS IN PARABLES...

with father KUMERAN

From June 7 to 9, 2024 - At the Arch of Saint-Antoine l'Abbaye

Through the ordinary stories of daily life, Jesus transmits his message to us. These stories hide within them a deep and extraordinary meaning for our spiritual evolution. By addressing above all, our hearts, parables are a path to divine truth. Father Kumeran, through his experience of the wisdom of Hinduism, will help us explore some of these stories by interpreting them on a mystical level. It is a beautiful invitation to broaden our understanding of the teachings of Jesus, and to accelerate our spiritual growth.

The retreat will include teachings, prayers, guided meditations, chants and rituals.

For those who wish to experience additional time of prayer and contemplation with Father Kumeran, he suggests that we meet on Thursday afternoon.

Father Kumeran, of Indian origin, lives in South Africa. Called to follow Jesus, he became an Anglican priest. Then his spiritual search led him to leave his church for a contemplative life in South India at the foot of the sacred mountain Arunachala. There he reconciled his Hindu and Christian roots. Another call leads him to bear witness and transmit the richness of his spiritual discoveries. He founded and directs Arunachala Marga (the Way of Arunachala), which celebrates above all the realization of the Divine Light within oneself and inter-religious dialogue. Invited by the association “Chemins de Shanti” which promotes encounters between Christian spirituality and Indian wisdom, Father Kumeran has been teaching in France for several years.

Useful information
